IN THE BEGINNING... do you know what comes after this well-known phrase? The first chapter of the Bible is one of the most heavily-layered chapters of all Scripture. If we dig deeper, we just may find more answers to the most difficult questions we ask today. Do you think you know what it says? Come and join us as we dig into these layers. Live closed captioning provided. Taught by Carolyn Iga (June 8, 15, and 22). Email: carolyniga@gmail.com for more info.
